

GV2020 Catalog of Goods – Published 01/23/2023

The materials to establish eyeglasses sales have been packaged to support several different outreach models and can be purchased in various configurations. The below list is the configuration we use to make B2B sales more efficient:

Due to potential no-notice increases in materials and shipping, prices may change at any time without notice. Global Vision 2020 reserves the right to change product pricing at any time and will publish these changes prior to them taking effect. If you have ordered but not yet paid for a product or products, we guarantee the price for 30 days from time of issuance of a Pro Forma.

Full Kit: Contains everything needed to deliver 550 pairs of GV2020 Vision Kit eyeglasses from a single location.

Inventory:

USee	1
Frames	250
Lenses	540
